## **CONTENTS**

- 1.0 Admissions to study in Post 16 at an Outwood Academy or Post 16 Centre
  - 1.1 'A willingness to learn'
  - 1.2 Capacity
- 2.0 Application Process
  - 2.1 Timetable for Application and Admission:
    - 2.1.1 Late Enrolment and Transfers
  - 2.2 Curriculum Provision
- 3.0 Admissions Process
  - 3.1 External applicants
  - 3.2 Oversubscription criteria
    - 3.2.1 Criteria 1: Students currently in Post 16 Education
    - 3.2.2 Oversubscription Criteria
    - 3.2.3 Determining Siblings, Catchment and Centroid Distance Measurement
  - 3.3 Admission of Students with a Health and Education Plan
- 4.0 Allocation of places following the application process
  - 4.1 Appeals
  - 4.2 False information

## 1.0 Admissions to study in Post 16 at an Outwood Academy or Post 16 Centre

Outwood Grange Academies Trust Board is the admission authority for all Post 16 provision within the Trust and is therefore responsible for the admission of students into Key Stage 5. Currently, Post 16 provision is delivered at:

- Outwood Grange Academy
- Outwood Academy Adwick
- Outwood Academy Danum
- Outwood Academy Easingwold
- Outwood Academy Hemsworth
- Outwood Academy Newbold
- Outwood Post 16 Centre Worksop

The administration for admissions is the responsibility of the Principal and any queries regarding Post 16 admissions should be directed to the Principal of the respective provider. For the purpose of this policy, the term 'Outwood Post 16 Centre' will be used to refer to all Outwood academies (Outwood Grange, Adwick, Danum, Newbold and Easingwold) and the Outwood Post 16 Centre Worksop, where Outwood Academy Portland and Outwood Academy Valley has a partnership arrangement with North Nottinghamshire College.

### 1.1 'A willingness to learn'

Our overarching criteria for learners to join our Post 16 centres is a willingness to learn. Alongside this, we will, as a guide, use:

- KS4 Attainment 8 scores to support students in making their overall course choices, including the number of Post 16 courses to study
- Where appropriate, performance in individual KS4 subjects to advise students in relation to specific Post 16 subjects – see subject entries in the prospectus.

Please also note that if our current courses do not meet a particular student's needs, we would very much like to hear what they would like to do. We reserve the right to amend our course offer based on available resources. The Principal reserves the right to not accept an application into Key Stage 5 if a student is deemed not to have met this entry requirement. All external applicants will be subject to appropriate references from their respective schools.

### 1.2 Capacity

The capacity for Post 16 of each respective centre is:

- Outwood Grange Academy – 420
- Outwood Academy Adwick - 300
- Outwood Academy Danum - 300
- Outwood Academy Easingwold - 300
- Outwood Academy Hemsworth - 270

- Outwood Academy Newbold - 200
- Outwood Post 16 Centre Worksop - 400

## 2.0 Application Process

Application for admission into an Outwood Post 16 Centre, including applicants currently attending the feeder Outwood academy at the time of application, are detailed in the relevant 2018/19 prospectus which will be available at the open evening held and published on each Post 16 Centre's website.

Application to the appropriate Outwood Post 16 Centre must be made via the application process set out in the relevant prospectus. An applicant will only be admitted into Post 16 providing they meet the admission criteria for individual courses published in each Outwood Post 16 Centre prospectus; applicants must meet the minimum entry requirements to progress onto the appropriate level of study e.g. A levels or Level 2 qualifications. All those seeking admission into Post 16 must achieve the necessary grades for access onto the courses they have chosen.

### 1.1 Timetable for Application and Admission:

- |  |                  |
|--|------------------|
| ● Students attend Open Evening                       | October-November |
| ● Student to complete an expression of interest form | December         |
| ● Interview students using draft subject blocks      | November-Jan     |
| ● Offer letters sent and subject blocks finalised    | March            |
| ● Independent appeals following offers               | April-May        |
| ● Induction Event/Taster Days                        | June/July        |
| ● Publication of GCSE results                        | August           |
| ● Post 16 Centre enrol students/deny admission       | August/Sept      |
| ● Decision communicated to parents/carers            | August/Sept      |
| ● Independent appeals                                | September        |

### 2.1.1 Late Enrolment and Transfers

Late enrolment will be considered up to the end of the third week of the autumn term in each respective Outwood Post 16 Centre.

Where an application is received on behalf of a student who has moved into the area during the academic year it will be considered in accordance with the minimum entry requirements and oversubscription criteria.

The right of appeal will also apply to late applications, late enrolment and transfers.

## 2.2 Curriculum Provision

Offers made are provisional and based upon applicants attaining the entry requirements, subject to availability of places in the appropriate pathway, courses and classes. The proposed curriculum for the following academic year will be made available to applicants

during the interview process. However, the viability and distribution of all courses will depend upon student numbers and available resources - final decisions may not be made until enrolment.

All of the Outwood Post 16 Centres are full time education providers and, under the Raising of the Participation Age introduced in 2013, the minimum hours a student must study to be classed as being in 'full time education' is 540 learning hours. In 2018-19, students must remain in education or a job with training until their 18th birthday however the compulsory school leaving age remains at 16. This does not mean that students automatically transfer from Key Stage 4 into Key Stage 5 and it is an expectation that all students will follow the application process if they wish to progress to study at an Outwood Post 16 Centre.

### 3.0 Admissions Process

Admission to any of the Outwood Post 16 Centres will be from:

- students in Year 11 at the academy; *and*
- students from outside of the academy.

#### 3.1 External applicants

When an academy is oversubscribed at the enrolment stage, the maximum limit for places offered to external applicants across the Key Stage (Year 12, 13 and 14) is:

- Outwood Grange Academy - 20
- Outwood Academy Adwick - 10
- Outwood Academy Danum – 10
- Outwood Academy Easingwold - 20
- Outwood Academy Hemsworth - 10
- Outwood Academy Newbold - 20
- Outwood Academy Ripon - 20
- Outwood Post 16 Centre Worksop - 6

If an Outwood Post 16 Centre is not oversubscribed following the application process, additional places maybe allocated to external applicants in excess of the limit detailed above.

#### 3.2 Oversubscription criteria

Where the number of eligible applicants exceeds the places available then admission to the respective Outwood Post 16 Centre will be determined in accordance with the priority of admission criteria.

##### 3.2.1 Criteria 1: Students currently in Post 16 Education

Students currently studying in Post 16 at the respective Outwood Post 16 Centre who wish to repeat a year will be permitted to do so only once during their Key Stage 5 education. Year 14 is the last academic year of Post 16 education as the DfE determines a learner as a student 'who is aged 16, 17 or 18 on 31 August in the relevant funding year' and therefore progression beyond Year 14 is not an option available to any mainstream student. The only exception to this is Outwood Post 16 Centre Worksop where adult learners on the roll of North Nottinghamshire College are admitted to study A level qualifications providing the Centre has capacity for their chosen curriculum.

All students in Year 13 who wish to progress into Year 14 must follow the same process as students in Year 11 and will be expected to submit an application in accordance with the deadlines published by the respective academy. Any Year 13 student who wishes to repeat Year 13 following the publication of A level results in August, and where the respective Outwood Post 16 Centre has filled all of its available places, will need follow the appeals process as detailed in section 4.1.

Students are expected to progress into Year 13 with a minimum of 3 A2 or equivalent subjects on their timetable and only in exceptional circumstances are students given a personalised curriculum.

Students who repeat Year 12 do not need to make an application but will be expected to attend a progression interview following their results in August. The final decision about whether a student remains in Year 12 or progresses into Year 13 is at the discretion of the Principal.

### 3.2.2 Oversubscription Criteria

In the event of an Outwood Post 16 Centre being oversubscribed the following criteria will be used to determine students given a conditional offer and students placed on the waiting list:

- i. students looked after by the local authority or care leavers;
- ii. students who live in the catchment area normally served by the respective Post 16 Centre **and** are currently attending a feeder Outwood academy in Year 11;
- iii. students who have siblings at the respective feeder academy or in the Outwood Post 16 Centre **at the time of application**. Siblings are defined as brothers or sisters (including step brothers and sisters) living at the same address as their primary place of residence; and
- iv. students who live closest to the respective Outwood Post 16 Centre in a straight line distance.

### 3.2.3 Determining Siblings, Catchment and Centroid Distance Measurement

Determination of whether an applicant has a sibling at the respective feeder Outwood academy will be verified following the application process. It is the responsibility of the applicant that the information given at the time of interview is correct and failing to declare a sibling in the feeder academy at the time of application will risk this admission criteria not being used if the academy is oversubscribed. External applicants will need to provide

evidence that they live at the same address as their named sibling using at least one of the documents detailed below:

- Child benefit statement detailing both applicant and sibling or other documentation verified by the Principal
- Passports of both applicant and sibling

Determination of whether an applicant lives in the 'catchment area' or 'lives closest' to the respective Outwood Post 16 Centre is part of the service level agreement held with each Local Education Authority. The administration of this data will be completed by the Family Services Team (Admissions) following the closing date for applications and all students have been interviewed.

### 3.3 Admission of Students with a Health and Education Plan

High needs students (previously 'SEN') with a Health and Education Plan (previously 'Statement of Special Educational Need') are dealt with under a different mechanism. Any student with an Outwood academy named on their Health and Education Plan at the time of application will automatically gain a place at the respective Outwood Post 16 Centre as long as they meet the criteria in 1.1. All external applicants who wish to be admitted to an Outwood Post 16 Centre for study in Year 12 will need to express this preference at their annual review in the autumn term of Year 11, which will then be passed to the Principal of the respective academy by the local authority. Students who are high needs are funded until they are 25 and are able to access education until this date. However, it is important that these students access an appropriate curriculum personalised to their needs, which would be discussed with applicants/parents at the interview stage.

### 4.0 Allocation of places following the application process

Each respective Outwood Post 16 Centre will publish a deadline for applications at their open evening. Students making applications after the deadline will only be interviewed if there are places still available following the allocation of places following interviews. The entry requirements for admission to each Outwood Post 16 Centre shall be the same for students on roll in Year 11 at the feeder Outwood academy and external applicants.

Students will be admitted into the respective Outwood Post 16 Centre at the start of the autumn term in each academic year although there may be some occasions when the students transfer during the academic year.

### 4.1 Appeals

Any student refused a place to study in an Outwood Post 16 Centre to which they apply has the right of appeal to an independent appeals panel; all Outwood academies within the Trust have a service level agreement with the local authority who deal with the appeals process. Appeals should be submitted to the independent appeals panel by the deadline below, which is in accordance with the local authority appeals process. The appeals form is

published on each academy website and is the only format under which an appeal will be processed.

The timeline for appeals is detailed below and follows the Schools Admissions Appeals Code produced by the Department for Education. Under this code an applicant must be given up to 21 days from the receipt of the decision letter to submit an appeal.

Applicants who appeal the decision will be informed of the date of their appeal hearing and then sent details of why they were placed on the waiting list 5 days before the appeals panel meets. The Appeals Panel decision is communicated to the applicant in writing and this is normally within 5 working days of the appeal hearing. Important – it is preferable that all supporting evidence is submitted at the same time as the appeal form. However, if this is not possible, additional information will be accepted up to three working days before the appeal hearing. It is possible that any information submitted after this time will not be considered by the Independent Appeal Panel. If the applicant has a Health and Education Plan, they should contact the respective local authority as the right to appeal is through a First-tier Tribunal.

If you are unhappy that the Independent Appeal Panel has not followed the School Admission Code 2012, you can complain to the ESFA as set out in their guidance document,

#### 4.2 False information

Any place offered on the basis of a fraudulent or intentionally misleading application, e.g. giving a false address or false examination results, will be withdrawn. It is for the parent or carer to satisfy the Outwood Academy Trust Board of their circumstances, as they apply the admission criteria at the time of application.
