Dear Parents and Carers,

RE: School Ski Trip 2027 – Bormio

I am writing to update you regarding the planned school ski trip to Bormio, scheduled for 2027. Following the success of this year's trip, we had high hopes that we would be able to run this as an annual event.

Unfortunately, due to low numbers, we are unable to run the 2027 ski trip. Moving forward, it is likely that the school ski trip will become a bi-annual event to ensure we can secure the minimum number of participants required by travel operators.

Please accept my sincere apologies for the delay in contacting you with this news. We intentionally extended our sign-up deadline in the hope that extra time would allow us to fill the remaining places and make the trip viable. Sadly, despite our best efforts, we did not reach the numbers needed to proceed.

We will be communicating this information with the student body, through PD&G notices this week.

Please be assured that all deposits already paid will be fully refunded. The finance team will be processing these over the coming days, and the funds will be returned via your original payment method.

While this is disappointing news for 2027, we very much hope that your child will express an interest when we begin advertising the 2028 school ski trip.

Thank you for your understanding, patience, and continued support.

Yours sincerely,

Mr Paul Taylor
Principal
